Paper presentations

We invite authors of accepted papers to prepare presentations with slides. Each paper presentation is scheduled to last at most 15 minutes. Time slot includes:
- **10 min oral presentation**
- 3 min Q&A
- 2 min technical setup & speaker introduction by Session chair.

Presenters should provide a short (no more than 3 lines) biography introduction to be handed to the Session chair at the beginning of the Session.
We additionally encourage presenters to prepare a PDF version of their presentation to be uploaded on the workshop website.

Warning

This is a temporary program. The number of papers to be presented, invited talks, and keynotes may be subject to change in number and/or in time schedule.
